

“It has been shown that **excessive speed is NOT a dominant factor in the Territory’s road toll.** (18-11-04)

Rather, it is a combination of alcohol and a failure to wear passenger restraints that is the root cause of most fatalities on Territory roads”.

**Dr. Chris Burns MLA  
Minister for Transport and Infrastructure**

Dr. Burns said it was important that all motorists in the Territory drive in a manner that suits their driving experience and local conditions.

**Why has there been a 43.75% increase (as at 30-06-07) in road deaths on NT roads since 130 speed limit was introduced? What is the real cause?**

**Greater fatigue.** Longer travelling times means driving late into the night with the increased chance of hitting animals. Passing road trains is now a nightmare.
